Dear Rosella Di Leo,

Please find enclosed one copy of my paper for the anarchist gathering. I am also sending separately an additional four (4) copies, which should arrive at approximately the same time as this letter.

Thankyou for your letter informing me that the plenary session on the state will be on Friday afternoon.

I am not travelling to Venice with other members of the Anarchos Institute. Living here on the east coast of Canada, it was simpler for me to make my own arrangements. However, I do want to stay with them, and I am pleased that my reservation is with theirs. Again, I thank you.

I was talking to Dimitri on the telephone, and he advised me to make my way to the Utopia 2 bookstore when I get to Venice. That's fine with me. However, if you could send the address of the place where we will be staying, that also would help me.

I am arriving in Venice by air on the Monday afternoon (September 24), which is, I think, one day before those coming via Montreal and Paris. Until then - fraternal greetings -

Frank Harrison

PS Concerning my paper. You will note that I have changed the title to reflect better the content.
